Supply of Equipments by BHEL

609. SHRIMATI BIJOYA CHAKRAVARTY: Will the Minister of ENERGY be pleased to state:

(a) whether it is a fact that the delayed supply of equipments by the BHEL is partly responsible for the power shortage in the country; and

(b) if so, what are the reasons for the delay in the supply at equipments by BHEL?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI): (a) and (b) The present shortage of power is mainly due to shortfall in hydel generation as a result of low reservoir levels and increase in demand from the agricultural sector. Delays in completion of power projects also contribute to loss of generation. Such delays are due to several factors which include delay in supply of equipment by the suppliers including BHEL. The supply of equipment by BHEL to various power projects is being regularly monitored by the Central Electricity Authority and the Department of Power. Wherever there are delays, they are brought to the notice of BHEL from time to time to expedite the supplies. The concerned Department is also appraised of the matter.
